Safety Concerns

There are a number of parents waiting in the staff carpark area after school to collect their child. Students are not permitted to walk through the car park area at any time. Parents are encouraged to wait within the chained off area and use correct paths to exit the school with your child.

Throughout this Bulletin the term parent means parent, guardian and care provider.

BULLETIN 15

FRIDAY 26 MAY 2017

A Word or Two From the Principal

Phone Line Problems

Our sincerest apologies to parents and community members if you have had difficulties reaching the Office via phone (the line just rings out). One of our lines is down and after visits from technicians, the concern has been raised with Telstra. Hopefully this issue will be rectified ASAP.

Class Requirements

There are approximately 100 students that have not paid for their Class Requirements. Payments have now resumed for cash, cheque and POP (via the school website). Funds have already been expended from the beginning of the year to support class needs. We would appreciate prompt payment from parents. I understand that at times families may need support to meet payment requirements, please contact the office so we can assist. Class requirements for 2017 are as follows: Kindergarten; \$15.00, Year 1&2: \$30, Year 3&4: \$30 and Year 5&6: \$50.

Voluntary Contribution– The School Equipment Fund

Every year we invite support from our families to make voluntary payments to support the school. Once again we will be asking for assistance. Payments are a guide and are as follows; One child \$40.00, Two children \$50 and Three or more children \$60.00.

GRIP Leadership Conference

On Tuesday I had the absolute pleasure to accompany sixteen Year 6 students to Charles Sturt University for an action packed day filled with developing skills in leadership and responsibility. The students involved will be coordinating activities to run with students in the coming weeks after our weekly assemblies. The activities will be fun and interactive with key messages. Thank you to the parents who helped transport students on the day.

New Menu—Please note

The cold and hot food items on our new menu are now in line with the new "NSW Healthy School Canteen Strategy".

The aim of the strategy is a ratio of 75% everyday food to 25% occasional food available. To help make healthy choices easier.

These foods are clearly listed on the new menu.

Please note all half (1/2) items have been removed.

We have many new hand made items, all made on site. Pizza, tacos, burgers, pasta, rice and noodles all made fresh along with salads, rolls, wraps and sandwiches.

Thank you.

Canteen helpers required for Fridays please contact Tracey in the canteen.

Please note all lunch orders must be handed into the Canteen before the start of school.

PSSA Athletics Carnival

On Wednesday 24th May, over 40 students qualified to compete in the Wagga Wagga PSSA Athletics Carnival at Jubilee Park. It was a fantastic day with many students competing in multiple events. We had some very pleasing results and are expecting a lot of students to have qualified to represent Riverina at the next level when results are officially announced later this week. Congratulations to all students who competed, your sportsmanship and behaviour throughout the whole carnival was highly impressive.
