BULLETIN 17

FRIDAY 9 JUNE 2017

A Word or Two From the Principal

SEAL of Approval

Our Beni Ali has been reunited with SEAL. Beni being a survivor of cancer, met Seal in 2013 Channel Nine's annual Gold Telethon. This years Telethon will be on Channel 9 from 9am-4pm this coming Monday. It was an emotional reunion at the Sydney Children's Hospital when SEAL visited the Oncology ward. Beni is fondly remembered by staff as she holds the record for the longest stay in the ward to support her recovery. Beni remains the face to support families when they are admitted to the ward. We are so happy to share this event with our school community.

NAPLAN Online

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for students in Years 3, 5, 7 and 9. Planning has begun to move NAPLAN from a pen and paper assessment to an online assessment.

NSW schools will participate in a school readiness test between 14 August and 22 September 2017. The school readiness test is a 'practice run' for schools to assess their technology ahead of NAPLAN Online. The readiness test is not an assessment of student ability. The readiness test allows schools to:

- become familiar with the NAPLAN Online test format and processes
- check whether they have the technical capacity, rooms and devices to administer NAPLAN Online
- provide students in NAPLAN years 3, 5, 7 and 9 with the opportunity to experience the online test question types and format by completing a practice NAPLAN online test.
