Kinder enrolments for 2018 are now open. If you have a child starting school next year, Kinder enrolments will close on Friday 4 August. Please pass this information to any new families looking to enrol for next year. It is our hope that parents will be notified about placement by the 18 August. There will be a Parent information session on Wednesday 18 October. Kinder Orientation will take place on 24-25 October and 31 October-1 November from 2:00pm-3:00pm.

Wellbeing Evaluations

Our school will commence evaluations of school policies and programs to support students and their families. The areas we are going to evaluate are: Antibullying, Student Welfare, Attendance and Child Protection. During the evaluation phase students, parents and teachers will be involved in consultation to determine future directions for our school. The updated policies will be communicated to our community so there will be clear understandings of our processes in these areas. Furthermore, the evaluations will be included in our Annual School Report for 2017.

Year 6 GRIP Leaders

Students were entertained last Friday afternoon after our weekly whole school Assemblies with 'Loud Noises' Students competed in house groups with their team members cheering them on. Waratah were the winners on the day. Congratulations to the Year 6 leaders who are organising these sessions as part of their leadership project.

Refugee Week

2017

Next week we celebrate Refugee Week. This is a wonderful opportunity to celebrate the contribution that refugees make to our country. The theme for 2017 is "With Courage Let Us All Combine". These words feature in the second verse of our National Anthem.

At South Wagga Public School we welcome all families into our school community. We feel very fortunate to have the chance to make new friends and learn about different cultures from our students from diverse Refugee backgrounds.

In the classroom next week, the children at South Wagga Public School will have the opportunity to hear the stories of three of our brave students from Refugee backgrounds. These students will be talking about the things they liked and didn't like in their home country and the things they like/ find hard about their new country.

The students will be supported in the classroom by an EALD teacher and have made a Powerpoint presentation to go with their talk. There will also be some classroom activities, centred around the theme of Refugees, the children will complete with their teachers.
