BULLETIN 19

FRIDAY 23 JUNE 2017

A Word or Two From the Principal

Semester 1 Student Progress Reports

I have had the great pleasure of reading reports. I am truly heartened by the outstanding achievements of students and in particular their commitment to continually improve the skills, knowledge and understanding of concepts across all areas of the curriculum. Students will be given their reports to take home on Thursday 29 June.

P&C Fundraising

Thank you to all the parents who have supported our P&C Mufti Day today and those who will be attending the movie this evening. Our P&C make valuable contributions to our school and provide opportunities for our students to create lifelong memories. I encourage parents to come and join our P&C and help support our school community.

Refugee Week

All our students this week have participated in awareness activities that have enhanced their understandings of refugees. Our school is very fortunate to have refugee students from a number of countries. Classes were treated to visits from our refugee students and were given insights to their country of origin, culture and language. Well done! Year 5 Mathematics

With the end of another term upon us, we decided to shake things up in Miss Peterson's Year 5 mathematics class last week. Many of the students are working on speed and efficiency in their multiplication, and there's nothing like a little bit of competition between mates, so we split up into teams and were competing for Dojo points.

The sun was also competing with our inside learning and was begging us to come out and play, so we packed up the chalk, found some concrete and revised addition, subtraction and properties of 2D shapes.

I think it is safe to say the whole class enjoyed putting the books away and applying their skills in a more creative and exciting way.

Chess News

Chess Teams A, B and C have been busy this term playing in the NSW Junior Chess League – Interschools competition. Every week the students have been training with Miss McTackett during Monday lunchtimes; learning new moves and reflecting on the strategies they used the previous week during competition. Each Friday afternoon the students play students from other schools. The students have improved their chess skills and are very excited to use their chess knowledge to, on occasions, come away with a win. All teams are looking forward to the Education Week chess competition, at the Marketplace, and the Sturt Public School - One Day Chess Tournament coming up in Term 3.
