## Learning @ SWPS:

### Planning and Revising

Next week we will be focusing on developing our skills of planning and revising.

Planning and revising involves preparing for our learning and reflecting on it afterwards.

Student language may include:

- What steps do I need to take?
- What equipment do I need?
- How can I achieve my goal?
- How can I improve this next time?

Through planning and revising, SWPS aims to help students prepare for their learning and work towards continual improvement.

## A message from our Principal

### Executive Director's Award

Last week our school was awarded an Executive Director's Award by Dean White. Our school has been acknowledged for outstanding 'Staff Performance' which aligns to our strategic direction of 'High Performing Staff'. Our school has implemented a professional learning model that is focused and supports teachers to improve their classroom practice to enhance student learning outcomes. We reviewed our model at the end of Term 3 and the support by teachers to continue this model was overwhelming. We are very proud of our dedicated staff that strive to improve the quality of learning and teaching to support our students.

### School Spectacular SWPS Representation

Seven of our talented students have travelled to Sydney to be a part of the annual Schools Spectacular that involves over 5500 participants from around 370 NSW public schools. The world-class showcase provides students with an opportunity of a lifetime to experience what it takes to perform in such a highly esteemed performance in the creative arts. We are very proud of our students and take pride in offering our students this incredible opportunity to participate and create life long memories.

### Combined Schools Band Day

Audiences were delighted by the talented students from schools across our area last Friday night at the Conservatorium of Music. Each school presented a showcase and combined together as a band. Thank you to our parents and staff that supported the students on the day.

## 2 Wombats

Recently, the 2Wombats have been writing persuasive texts and focussing on how advertisements persuade the audience. They were issued a challenge to complete collaboratively. They needed to create a television advertisement to persuade the audience to purchase their product. They dressed up, made props and had lots of fun and the advertisements were of high quality. Well done Wombats!
