Term 1, Issue 11

Learning @ SWPS:

Positive Behaviour - Empathy

Next term week 1 we will be focusing on developing our skills of empathy. Empathy involves caring for other people and understanding that I may feel differently to others about something. Student thinking may include:

- I will aim to put myself in other people's shoes to help me understand their perspectives.
- I will respect other people's ideas and comments, even though I may not agree.
- I will pay full attention to others and listen to them.
- I will try to understand other people's emotions and thoughts behind their words.

Through being empathetic, SWPS aims to bring students closer together, reduce conflicts and open student's eyes.

A message from our Principal Farewell and Best Wishes Mrs Crevatin

It is with sadness that we farewell Mrs Erika Crevatin. Mrs Crevatin has been apart of our SWPS staff for over 11 years. She has had numerous roles as a kindergarten teacher, Reading Recovery teacher, Stage 1 teacher, and Release from Face-to-Face teacher. She has also been integral in a number of school programs including; Chess, Environmental Education, STEM, and as a Computer Coordinator just to name a few. Mrs Crevatin has been successful in gaining a position at Turvey Park Public School. We wish her the very best.

Library Upgrade

Our library will commence its makeover over the Easter break. The library will be fitted out with bi-fold doors onto our outdoor terrace and have the carpet replaced. This is the start to revamping this space.

Easter Hat Parade

Our new arrivals (pictured above) have enjoyed the Easter fun. Thank you to our school community members that supported the Easter Hat Parade. This is such a fun event for all members of our school community and a great way to end the term.

Connecting Country Schools (CCS)

It has been our turn this week to receive the wireless upgrade from the NSW Government initiative. Our school will now run more efficiently and effectively across all learning areas in regards to connectivity to the internet on mobile devices such as laptops.

ANZAC Day

Our school acknowledged this significant event in our Assembly today. Our school captains and Vice Captains will be participating in the ANZAC Day ceremony on the 25 April.

Athletics Carnival
Day 1 Term 2
Tuesday 30 April

This term 3/4 Galahs have thoroughly enjoyed their science unit 'Earth and Space'. They have researched information on the solar system and have learnt about the relationship between the earth, moon and the sun. During Creative Arts, the students had to choose a planet to research and create. They identified the colours and patterns on each planet, and worked within their group to construct their final product that we have displayed in our room

Dance Representative

Last week we had six students audition for a position in the CHORDS Core Dance Ensemble amongst 50 students from across Wagga. We are excited to announce that Lily Benson, Sienna Thompson, Dima Hamka and Lucy Croker were all chosen. They will begin rehearsals next term in preparation for the CHORDS festival in October this year.

Home Reading is fun!

We have had so many parents come in to the kindergarten classrooms to assist the students in changing over their home readers for the week. The students love to have their parents in and listen to them read. If you would like to come in and help your kindergarten child, we welcome you anytime after 2:50pm on Thursday afternoons. Please remember to fill out our volunteer forms with a 100 point identity check. Happy reading!

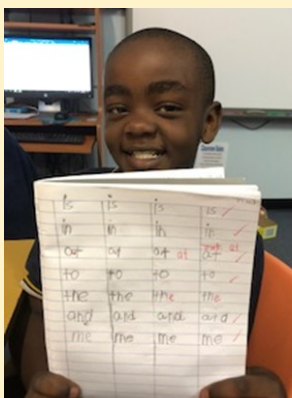

Tony Lockett Shield

On Monday, the SWPS Australian football team contested the Tony Lockett Shield at Bolton Park. We played two pool matches, winning both. The scores from these matches were: SWPS 9.17.71 d Wagga Wagga PS 0.0.0 and SWPS 15.11.101 d Koorungal PS 0.1.1. This put us through to the final which turned out to be a fantastic contest against Lake Albert PS where we played with great desperation and skill, eventually winning 11.6.72 to 2.0.12. The best players in a very even team performance were Otis Irvin, Jack Stockton, Jude Vennell, Henry Angel and Henry Keough.

Stage 2 and 3 EAL/D Learning moments

This year we have had fun with many different types of learning at school with Mrs Pietsch. Here are some of our favourite moments.
