Learning @ SWPS: Connect to Learning

Next week we will be focusing on connecting to our learning. Connecting to our learning involves taking ownership of our learning and making it personal and purposeful for us.

Student thinking may include:

- How can I make this my own?
- What does this mean for me?
- What do I already know?
- This reminds me of...
- I love this lesson because...
- I can't wait to do this again!

Through connecting to our learning, SWPS aims to help students become more involved with their learning.

A message from our Principal

Thank you and farewell Karen

I wish to acknowledge Karen Joliffe as our beloved Canteen Supervisor. Karen has worked hard since February in 2018 to slowly transition our school to be compliant to the NSW Healthy School Canteen Strategy. Our Canteen menu was assessed on the NSW Healthy School Canteen Strategy Food and Drink Criteria. We have now received verification that we meet the stringent standards. Karen received a certificate of recognition yesterday at our morning assembly. I wish to congratulate Karen for her efforts! Sadly, today was Karen's last day. Karen certainly has left our school in good stead for the next Canteen Supervisor and she knows how to go out with a bang! The P&C will commence recruitment for the position as soon as possible. At this stage the canteen will be closed from Tuesday 1 June to Friday 21 June. On behalf of our school community, I wish to thank Karen and wish her and her family well.

Infectious Diseases

We have received isolated incidents of Whooping Cough and Chickenpox from students at our school. Whooping cough usually begins like a cold with a blocked or runny nose, tiredness, mild fever and a cough. Chickenpox begins with a sudden onset of slight fever, runny nose, feeling generally unwell and a skin rash. Please be mindful of symptoms in case your child becomes unwell.

P&C Movie Night

I hope you all have marked out your calendar for our P&C Movie Night on Thursday 20 June. Ticket orders have been sent home with students today. There are limited spaces and tickets generally sell out fast. This is a great night to have some fun as a school

Riverina Dance Festival

Just a reminder for parents to purchase tickets to the festival in Griffith on Friday 21 June. Tickets usually sell out due to the number of school participating. Please contact the Griffith Regional Theatre booking office. I look forward to seeing you there.

Science Day

On Tuesday 28 May, Louis, Zac and I participated in a science day at Ashmont Public School.

Mr Eastwood taught us about lighting and how to be safe around electricity. Next Mr Eastwood zapped us with a van de Graff, it felt like getting slapped on your arm.

We were all put into pairs with different schools, to test some powders and see who was in the gym last night. This was fun.

At the end we had some work sheets which we filled out to rate the overall day. We scored our partners out of 30 and got lots of knowledge from this day.

Thank you to Ms Peterson, Mrs Cooper and parents for transporting us. It was a fun experience.

Hareem Ahmad.

Girls Netball

On Monday 27 May, the girl's netball team travelled to Equex Park to play against Wagga Public School.

All girls played well with good shooting and strong defence, we ended up winning 28-3. Players of the day were Mollie Walker and Holly Williams.

We would like to thank our parents, Ms Shaw and Mrs Cooper for transporting us, also Miss MacDiarmid for training us even though she was unable to be there on the day.

Thank you Milla and Abbey

Riverina Touch Trials

Well done to all the boys that trialled for the Riverina Boys team in Albury. The Wagga Team went through undefeated which was a credit to all the boys.

Congratulations to Jude Vennell, Henry Keough, Dane Weidemann, Jack Rodham, Angus Banks and Sunny Martens on making the Riverina Team.

Girls Soccer Game

On Tuesday the 4th June, the girls' soccer team travelled down to Rawlings Park to play two matches. The first match was against Koorungal public and we won 8-0, with Meg, Holly, Georgie and Talea scoring. The second game was a bit tougher, Lake Albert managed to score one goal but we still won the game 4 to 1. Holly, Abbey, Kassie and Georgie all scored. We showed determination and grit to win, with great defence by Laila (Best on Ground) and excellent control in the middles. Kassie.
