Learning @ SWPS:

Imitation

Next week we will be focusing on developing our skills of imitation. Imitation involves learning from other people by copying their actions.

Student thinking may include:

- I can learn by watching other people.
- I can picture myself doing that.
- I think your strategy will work for me.
- I will learn from other people's ideas.

Through imitation SWPS aims to help students learn from each other.

Tell Them From Me- Parent Survey Now Open!

A message from our Principal

Riverina Champions!

Yesterday both our boys and girls PSSA soccer teams became Riverina Champions! We are so proud of this incredible achievement and one we have not had for over 10 years. I wish to acknowledge and congratulate both our boys and girls soccer teams, Ms Shaw and Mr Brodie for this achievement. Both teams will now travel to compete against the South Coast.

Tournament of Minds

A group of students have been working hard this term, perfecting their performance for Tournament of Minds. This year their challenge was to rewrite The Wizard of Oz in the context of their own town, state or country. This is an exciting opportunity for students as they develop many collaborative and performance skills. Well done to our team who performed at Sturt Public School on the weekend.

AFL – Tony Lockett Shield

Our boys team travels to Sydney to compete in the AFL PSSA competition on Monday. We have made the top 4 in the state. We wish the boys and Mr Livio the very best in the upcoming competition. Thank you to our parents who are supporting their travel.

FC Cup

Both the boys and girls teams participated in the knockout last Monday. The boys were outstanding, having to play most of the game a goal down. The game proceeded into extra time, and then a penalty shootout! The girls fought brilliantly for the full game and were unlucky not to come away with the win.

Electricity Safety Week

This week was Electricity Safety week. Our students were very fortunate to have a visit from Julian and Darren who work with Essential Energy. They reminded us just how important it is to pay attention to where power lines are when we're outside and to make sure we are aware of where we use electrical products in our houses. The men brought along some of the special clothing they need to wear to help them to stay safe when working with electricity and impressed the school with the 13 metre height of the bucket on their bucket truck. Thank you Essential Energy.

Trent Barrett Shield Boys Team

Trent Barrett Shield Girls Team

Trent Barrett Shield

The Stage 2 Trent Barrett Shield rugby league and league tag teams played a gala day at Paramore Park on Tuesday. All students played very well throughout the day with the league tag girls having a big win in their first game before having 2 tight draws. The boys played some tough rugby league, running hard and tackling all day to come away with 2 wins and a draw for the day. This was enough to see the boys team make it through to the Trent Barrett Shield finals on Tuesday 24 September.

Riverina Central Choir of Choral Music 2019

On Sunday 1 September we went to Sydney for the Festival of Choral Music to perform at the Sydney Opera House. On Monday we practised in the morning and performed at night. It was very enjoyable and a great experience.

Felix M

Zahli, Matilda, Issy, Laila and Felix.

Important Dates

Tony Locket Shield in Sydney	9 September
NSW Premier's Spelling Bee	13 September
P&C Mufti Day	13 September
Visit from Good Start Station Place	18 September

Kindergarten Orientation	29 October
Kindergarten Orientation	30 October
P&C Fun Run	9 November
Presentation Night	12 December

Canteen

Opening days for the canteen are Wednesday, Thursday and Friday only.

Volunteers needed - please contact the school

1 Magpies - Riverina Environmental Education Centre visit

The students in Year 1 Magpies exhibit mindfulness in their learning every day. We listen to and give our opinions, reflect on different aspects of artworks and use our senses to visualise ideas before writing and when on excursions. Soon, all of Year 1 will use mindfulness in Geography to reflect on how spaces in our community are designed for specific purposes.

Sydney FC Cup

This week has been an epic week of sport, with a clear highlight being the 3rd consecutive victory for the boys soccer team in the Sydney FC Cup. Both boy's and girl's teams played amazing games and have been finalists each year of the competition. The girls fought brilliantly for the full game and were unlucky not to come away with the win. The boys are to be commended for putting in an outstanding effort, having to play most of the game a goal down. The game proceeded into extra time, and then a penalty shootout! Down to sudden death, Angus Banks scored the critical goal with Gilbert Ruwald saving the final penalty to win the game! The trophy will once again sit in our cabinet, with only SWPS' name on it!

Duncan Brodie

P&C News

Parent-led Initiative—Kitchen Garden

The SWPS P&C are supporting a parent-led initiative to establish a kitchen garden. This is an exciting opportunity to incorporate environment care, healthy eating and team work into the mainstream school curriculum. We are looking for parents who are interested to form a steering committee, along with teachers and students so we can have this operational in 2020. If you are keen to be involved please call Andrew on 0422 138 955 or email smiley.smithy@hotmail.com or carla.jayne02@gmail.com.

Alternatively, everyone is welcome to attend our first information and planning session on Tuesday 10 September at 3:30pm at the COLA. Students and teachers are encouraged to join us.

Lost Property

Every week the lost property container is overflowing. The amount of items of clothing NOT labelled is unbelievable!

Please ensure all items of clothing are labelled.

CLOTHING POOL
